Your guide to

Surgery in Thailand

Arranged from Australia

Prepared for you

Every step, arranged

You focus on your surgery and your recovery. We arrange everything around it, from your first question to your last check-in.

Your flights

We help you book them around your surgery date, and help move them if recovery runs long.

Your hotel

Close to the hospital, from options we send you. A companion can share your room.

Your visa, if you need one

Australian passports don't currently need one. For others, we get the hospital's letter.

Every transfer

Airport, hotel and hospital, both ways, arranged by the hospital's team.

A caregiver at your hotel

With you for your first three days out of hospital.

Garments and massage

Compression garments and lymphatic drainage massage, in your price.

A checklist before you fly

What to pack, and what to stop taking and when, from the hospital and surgeon.

Your coordinator

One number to call, from the day you land to the day you fly home.

Your doctor, after you're home

Still a message away once you're back in Australia.

One written price

Everything that's included, in one number, before you pay anything.

YOUR TRIP

From take-off to your front door

01 *Off to Bangkok*

We help book your flights, and a driver meets you when you land.

03 *Meet your surgeon*

Face to face, with time for every question.

05 *Nights in hospital*

Nurses on hand, day and night.

07 *First check-up*

Your surgeon checks how you're healing.

09 *Flying home*

If your date moves, we help move your flight.

02 *Land and settle in*

A quiet night at your hotel, close to the hospital.

04 *Surgery day*

Your coordinator is a message away all day.

06 *Back to the hotel*

A caregiver with you for your first three days.

08 *Cleared to fly*

You fly when your surgeon says you're ready.

10 *Home again*

Your doctor in Bangkok is still a message away.
